

# YHC Summer 'Connectivity' Workshop Series

**Wow! So Soooooooo Kool!**

**GET CONNECTED to other LIKE MINDS in Your Community This Summer!**

This series connects all subject matter and includes an 'after workshop', super fun Net & Connect Mini Social. Share your soul dreams & get help manifesting them from fellow Yogis!

## **WEEK 1) July 16, 6:30 PM – 8 PM - Animal Communication Workshop**

Follow an 18+ yr telepathic Interspecies Communication Project and gain insight on how the animals are participating in the New Paradigm shift. Learn how Telepathic Exchange & Psy Diagnostics are changing the way humans care for their pets. Open the pathway to your own Psy sensing ability, so that you may also 'hear' your pets.

## **WEEK 2) July 23, 6:30 PM – 8PM - Working with Crystal Consciousness**

How DO crystals actually heal the body? What are they actually DOING on planet Earth? Learn how to create sunlit/crystal charged water & integrate other crystalline applications into your life including; meditative use, energy-healing assistors, auric clearing, plant enhancement and shamanistic uses. (Specimens will be available at WHOLESALE PRICES, including Tibetan crystals).

## **WEEK 3) July 30, 6:30PM – 8PM - Sacred Cosmology – The 2012 & Your Soul Star Connection**

How are Atlantis and ancient Egypt connected to the 2012 Paradigm shift? Learn how these civilizations are intimately entwined & are an integral part of the upcoming galactic awakening cycle. Learn how 'channeling' non-physical beings actually works in the human body and why it was kept secret until NOW. Indigos, Crystals, Oclarines, Star children and Light workers are collectively creating global change. Are you a mission spirit too?

## **WEEK 4) Aug 6, 6:30PM – 8PM - Psy Sense Development Workshop**

We are ALL PSYCHIC! The research behind Psychic Science is vast and is intrinsically connected to the Go-GREEN Movement! Learn in laymen's terms how all psychic sensing ability connects in to the human body organs. Find out why most of us are dulled from our divinely birthed gifting. Clairvoyance, clairsentience, clairaudience, clairsensience, empathy, remote viewing, 'film' visioning, full knowing and electro-magnetic sensitivities are examined and discussed. The latter half of this workshop will be doing Psy exercises.

## **WEEK 5) Aug 20, 6:30PM – 8PM - Soul Tapping Through Dream work & Meditation**

We don't just dream. We astral travel. We heal others in different dimensions. We connect with ancestors. We resolve personal issues before they manifest to 3D. Experience a Dream State Meditation designed to take you out of ordinary mind and into non-linear reality, where the greater portion of your soul exists. Learn the art of 'thought catching', defining and harnessing e-motion cyclical loops and how they are connected to your daily life experiences. All aspects of the 'silent experience' will be examined so that the mystery of what meditation is and does is eliminated.

#### **WEEK 6) Aug 13, 6:30PM – 8PM - Soul Restore 'Breath work' Workshop**

Experience the energizing effects of oxygen as it re-awakens and activates your blood system to a greater level of functionality and balance. Several types of breath work will be introduced including: Rebirthing, Egyptian Pure Breath, Soul breath utilizing Hawaiian Huna Philosophy. Learn how to activate higher consciousness by drawing light and air into the physical body system. Clear stagnant emotional energies safely and in a sacred environment, and learn why clearing in this manner can alleviate depression, lethargic body, low energy and other physical body ailments. Retrain your body to breathe naturally, allowing the solar plexus energy to move stably and consistently.

#### **WEEK 7) September 3 – 6:30 – 8 pm - Going Zen & Re-designing Life by Soul Purpose**

As financial institutions destabilize, jobs disappear, volcano's activate and man-made disasters complicate human survival on a global level, the everyday living experience is calling for all individuals to re-direct focus on all things organic and of Earth. Learn how the Green-Holistic-Integrative Trend started, why it has taken full momentum during these times. We examine the metaphysical properties and connection between herbs, Bach Flower remedies, organic & raw foods, light & sound therapies and various energy healing modalities. ZEN your life to bring about clarity & personal peace thru turbulent times.

#### **WEEK 8) September 10 – 6:30 -8 pm - New World Gurus - Developing New Paradigm Community**

As our economic stability wobbles globally, we are called to examine who we are as SOUL FIRST and human second. Our collective non-integral behavior toward one another has had major global repercussions. How are small community people banding together to create NEW SOCIETY? Learn how the NEW VISIONARIES function from inside out – and how to release old perspectives and the pain of lost dreams so that you can embrace an exciting new level of awareness that calls for all souls to walk as Earth Gurus.
